Subject: Clarification on Voter Guide Questions

One addition: Please feel free to use a couple sentences to expand upon your answers to the questions which could be addressed with a simple 'yes' or 'no.'

Dear Mr. Johnson:

The American Family Association of Pennsylvania is creating a voter guide for the May 18th Primary. It is our hope that you will participate so the voters can be informed about your positions thus being a more educated voter in May.

Please respond by April 15th. You can respond by e-mail at info@afaofpa.org or fax at 814.437.5432

Thanking you in advance.

Sincerely,

Diane Gramley
President

Please address the following issues:

- 1.) Do you support the right of law-abiding citizens to own firearms?

Absolutely

- 2.) Would you support a constitutional amendment defining marriage as between one man and one woman?

No, the bible already has defined marriage between a man & a woman and that the only law we need.

- 3.) Do you support human rights laws which include 'sexual orientation and gender identity or expression'?

No

- 4.) Do you support strengthening enforcement of the state's obscenity laws?

Yes

- 5.) Do you support the legalization of the medical use of marijuana?

I'm not a doctor so I can't comment on medical benefits or lack thereof of using marijuana.

- 6.) Please state your position on each of the following: (a.) parental consent before a minor can get an abortion, (b) informed consent before any abortion can be performed, (c) health

I don't believe in abortion. But under current law as exists (a) yes (b) yes (c) yes

4/12/2010

inspection of abortion facilities

7.) Do you support development/taxation of the recently found Marcellus shale natural gas deposits?

I support development, but no tax before it's out of the ground.

8.) For years property tax relief has been sought by many Pennsylvania landowners. How can this become a reality?

One must institute a different revenue source, a sales tax across the board from 6% to 4% could be instituted & elimination of property tax.

9.) Do you support House Bill 1660, the Family and Business Health Security Act, and Senate Bill 400 — that would create a statewide, comprehensive health care system?

No.

10.) Do you support requiring a photo ID to vote in all elections?

Yes

On a scale of one to ten (one being very conservative and 10 being very liberal) how would you describe your political philosophy? 1

If elected, how would you describe your role in Pennsylvania government?

As President of the Senate I would take more of an active role in ensuring laws before passed follow our state constitution.

Also I will not participate in the ~~current~~ Pension System and will work hard to structure a system similar to that used by millions of Pennsylvanians at their work place.

I will also bring a business philosophy to be instituted in state government.
