

Response from John Kennedy

Question (1) Yes

Question (2) Yes

Question (3) No

Question (4) Yes

Question (5) No

Question (6) a) Yes b) yes c) yes

Question (7) Marcellus Shale project is a God send for Pennsylvania and America. let's be patient. Give the gas drilling companies time to interact with DEP officials to resolve any possible conflicts relating to injuring our environment. Marcellus Shale Coalition has every incentive to perform in a safe and diligent manner and Pennsylvania will inherit thousands of well paying jobs with millions in new tax revenue.

Question (8) Keep pounding away looking for acceptable formula's to generate an equal amount of new taxes to replace the revenue lost by the elimination of property taxes. I believe were getting closer to finding that solution.

Question (9) UNDECIDED.

Question (10) Yes.

My political philosophy would be about 2.5

QUESTION

If elected how would you describe your role in Pennsylvania government?

ANSWER.

As Lt Governor I would push for the following.

- 1)Reform the legislative process.
- 2)Eliminate Legislators pensions.
- 3)Improve the business climate by reducing payroll costs, corporate taxes and frivolous law suits.
- 4.Work to build CAP, Citizens Alliance of Pennsylvania. Help elect

employers and their employees for a few terms in the legislature,
with no pensions and help fix the process in the Assembly while improving
the business climate to attract and keep industry across our Commonwealth.
