

Response from David Madeira

Please address the following issues:

Yes/No (you may expand upon your answers in a few short sentences)

1.) Do you support the right of citizens to own firearms?

Yes. "Shall not be infringed" means what it says and pertains to an individual's right to keep and bear arms.

2.) Do you support overturning the federal Defense of Marriage Act?

No. We need to protect the traditional definition of marriage.

3.) Do you support lifting the ban against practicing homosexuality in the military?

No. The military should not be a place for social experimentation.

4.) Do you support the Employment Non-Discrimination Act (ENDA)?

No. Gender identity is not a grounds for special rights.

5.) Do you support increased federal prosecution of obscenity?

Yes. Community standards need to be applied so that media cannot do an end run around parents on these issues.

6.) Do you support the legalization of the medical use of marijuana?

No.

7.) Do you support overturning Roe v Wade?

Yes. I support the protection of life from conception to natural death.

8.) Do you support citizenship for those who have entered the country illegally?

No. We are a nation of laws and all must respect and obey them.

9.) Do you support the recently signed health reform bill?

No. I'll work to defund it, repeal it and replace it with a free market system that allows each person to own their own health insurance.

10.) Have you signed the Americans for Tax Reform Taxpayer Protection Plan?

Yes. I will not raise taxes and will look for ways to lower them and eventually abolish the IRS, moving to a national sales tax (not a VAT tax.)

On a scale of one to ten (one being very conservative and 10 being very liberal) how would you describe your political philosophy?

(1) one. "The federal government has taken too much tax money from the people, too much authority from the states, and too much liberty with the Constitution." Ronald Reagan
