

Response from Mel M. Marin:

Yes/No (you may expand upon your answers in a few short sentences)

1.) Do you support the right of citizens to own firearms?

Yes.

2.) Do you support overturning the federal Defense of Marriage Act?

I support marriage the normal way. No dogs, ponies same-sex sickness.

3.) Do you support lifting the ban against practicing homosexuality in the military?

What ban? There is no ban. USMC HQ in Pentagon is crowded with homos that destroy the ability of the generals to do their work. It hurts the nation now. It will get worse.

4.) Do you support the Employment Non-Discrimination Act (ENDA)?

clueless

5.) Do you support increased federal prosecution of obscenity?

Yes

6.) Do you support the legalization of the medical use of marijuana?

Blank mind

7.) Do you support overturning Roe v Wade?

Yes

8.) Do you support citizenship for those who have entered the country illegally?

No, unless it's my family.

9.) Do you support the recently signed health reform bill?

Which health bill? I only know of an abortion bill that I opposed.

10.) Have you signed the Americans for Tax Reform Taxpayer Protection Plan?

No

On a scale of one to ten (one being very conservative and 10 being very liberal) how would you describe your political philosophy?

3. I am a J.F.K. Democrat. Moderate. The rich people pushing the Dem party are not liberal. Liberal means willing to spend government and tax money for the greatest good. It does NOT mean willing to kill children and parents to satisfy a small group of loud conceited selfish elitists mainly who went to B schools and Harvard and got Ph.D.s and think they are superior. They are just nuts, not superior. The nation did not go with them. Nor will it ever.

I am very conservative (1) on protecting children (far more conservative than the Republicans who now protect the same-sex sickness group), and very liberal (10) on protecting parents so they are not executed for being old (far more liberal than Democrats), and I favor welfare for mothers so they can survive with a new child and no father, and are not pushed into abortion, like the Catholic Church used to do in Italy. In other words, let's face the problem and stop killing children, rather than do nothing.
