**News From Around PA**  
**East Stroudsburg High School South Gay Straight Alliance** held an anti-bullying week last week. It ended with a Friday assembly led by Parents, Families and Friends of Lesbian and Gays (PFLAG).

**In State House District 31** the endorsed GOP candidate, Helen Bosley, was the interim CEO of Planned Parenthood of Bucks County just eight months ago!

**Soulforce's Equality Ride** leaves Philadelphia on March 4. A week of activities begins on Feb. 26. On Thursday Peterson Toscano will perform his newest play "Jesus Had Two Daddies." The 17 riders will be on a two month trip to confront "fundamentalist, anti-LGBTQ colleges and universities" in order to stop "religious and political oppression."

**Senator Mike Folmer**, Lebanon County, announced Wednesday that he is battling non-Hodgkin's lymphoma. Senator Folmer is probably best known for carrying a PA Constitution in one pocket and a Bible in the other. He and his family would appreciate your prayers at this time.

**New from National Scene**  
**Same-sex "Marriage" in the Military** - Last Friday Attorney General Eric Holder sent Congressional leaders a letter formally notifying them that the Justice Department will not defend a case challenging the constitutionality of the federal DOMA which prevents "same-sex spouses" of military personnel from receiving veterans' benefits.

**Warning on "It Gets Better Project"** -- this project was started by Dan Savage in response to the rash of suicides a year or so ago. Savage is a hateful homosexual activist who

redefined "Santorum" to refer to a vile homosexual term, which unfortunately is still at the top of the page when you do a 'google' search. The purpose is to send the message: it's okay to be 'gay.' This week MTV and Logo ran a "It Gets Better" special. Loyalsock Twp's HS Gay-Straight Alliance will hold an "It Gets Better" program in Williamsport on Thursday. It will be at Pennsylvania College of Technology. There will be three speakers all telling their story about "being gay in a straight world." The article declared "multiple churches and pastors" are supportive.

AFA of PA encourages Christians, through education, to become involved in pro-family issues in their community, state and the nation.
