### **News From Around PA**

**Hampton Township School District** in Allegheny County has a new Gay Straight Alliance Club to push the falsehood that "gay is okay." The senior who started the club said she will be working closely with GLSEN. Quaker Valley School District and Sewickley Academy also have GSAs.

**State Representative Daryl Metcalfe** is circulating a co-sponsorship letter asking his colleagues to join him in sponsoring the Marriage Protection Amendment bill.

**Students in 22 Philadelphia schools** had a "present" from the city Health Department when they returned to school this week -- dispensers for free condoms!

**The Anti-Defamation League** has 28 regional offices in the

Philadelphia area. Michael Lieberman, director of ADL Civil Rights Policy Planning Ctr., spoke recently in Philly saying, "ADL plays a significant leadership role in a range of equality issues, including LGBT work." i.e. the federal hate crimes law. FYI-State Rep Brendan Boyle will introduce a state hate crimes bill including sexual orientation/gender identity.

### **News from National Scene**

**The Associated Press** has determined they will no longer use the terms "homophobia" or "ethnic cleansing" in their reporting. The former is a word created by homosexual activists to demonize those who oppose their agenda. Such activists will probably place pressure on the AP to revert back to their former policy.

**Hobby Lobby** will defy the Obamacare mandate that they provide coverage for abortion causing drugs and sterilization in employee health insurance. They face a \$1.3 million fine each day.

**Kyrsten Sinema** was elected to the US House in November by voters in

Arizona's 9th Congressional District and is being touted as the first openly bisexual member of Congress.

**Zach Wahls**, who was raised by two lesbians, has made it a personal campaign to "encourage" companies to remove corporate funding from the Boy Scouts. Last month he was successful in convincing UPS and now Merck has announced it will no longer donate to the BSA. Wahls' next target is Verizon. He has been successful in these campaigns by using the Soros-funded change.org to gather names on petitions. Sixty thousand have so far signed his Verizon petition.
