Easton City Councilman Mike Fleck will be honored by the homosexual group Pennsylvania Diversity Network for his sponsorship of last year's domestic partnership law.

Warminster (Bucks County)

will hold "Safe Pride: A Commitment in Blood" from 10 a.m.-5 p.m. May 12 at 263 Marketplace, 700 York Road. The proceeds will go to help benefit the AIDS Fund. Safe Pride creator Dr. Natalie Beech said, "Warminster has never had a Pride event. The event is also to be 'educational,' but will the truth be told? In the

So, should the voters have a say?

New from National Scene

Even after paying a penalty of \$2,000 per employee, the companies stand to save \$28.6 billion in 2014 alone by shifting employees to health insurance exchanges governed by federal regs.

President Obama endorsed same-sex "marriage" on May

9th. He said he was compelled by the Golden Rule to allow homosexuals to "marry." Maybe he should read Matthew 19 to see what Jesus had to say about marriage! The US House has now taken steps to block federal funds from being used to violate DOMA, ban same-sex "marriages" on military bases and protect the rights of chaplains and military personnel who oppose homosexuality.
