Have you listened to our recent interview with Elaine Donnelly, President of the Center for Military Readiness about the increased sexual assaults in the military?

**News From Around PA**

**HB 2405-** a bill to stop taxpayer funding of abortion was introduced May 23. The AFA of PA joined other pro-life leaders and the primary sponsor Rep Daryl Metcalfe during a news conference at the State Capital on that day.

**HB 1434, PA's Marriage Protection Amendment** is needed now more than ever! The US Department of Justice has weighed in on a same-sex "marriage" case here in PA saying the federal Defense of Marriage Act (DOMA) is unconstitutional!

**Courage International** offers services to those who want to overcome unwanted same-sex attraction. That

message is not welcomed by some as the organization is holding a Sports Camp at St. Charles Borromeo Seminary in Wynnewood. Activists from Peace Advocacy Network will be picketing.

**Doylestown Borough Council** (Bucks County) has voted unanimously to recognize June as "Gay Pride Month."

**New from National Scene**

**The Equal Employment Opportunity Commission** (EEOC) has announced that Title VII, the federal sex discrimination law, protects employees who are discriminated against because they are transgender. To not hire a man who thinks he is a woman for any job is now deemed sex discrimination. Bathroom usage?

**Respect for Marriage Act** has picked up new sponsors since President Obama's announcement on May 9th that he supports same-sex "marriage." Those include

Senate Majority Leader Harry Reid and House Minority Whip Steny Hoyer. This bill would repeal the federal DOMA and afford federal protections to legally "married" homosexuals.

**Violence Against Women Act**, provides more than \$650 million per year to agencies fighting domestic violence. It passed the US Senate in April and contained homosexual-inclusive language. However that language was stripped out before it passed the House.

AFA of PA encourages Christians, through education, to become involved in pro-family issues in their community, state and the nation.
