### **News From Around PA**

**Bangor Area School District** (Northampton County)board by a vote of 7-2 on Monday gave the Superintendent the power to approve school clubs, including the recently requested Gay Straight Alliance Club. The AFA of PA is currently working with a school director to try to get a policy passed that would require parental notification for all clubs.

Last Saturday **State College Borough** (Centre County) opened its domestic partner registry. It's open to all couples in the area -- not just those who live in the borough. It was created with same-sex couples in mind although it is open to all unmarried couples and "allows those couples to document the duration and legitimacy of their respective relationships." It allows them to establish benefits eligibility with an employer.

**Carnegie Library** needs to

get an internet filter! Librarians called the police when patrons notified them of a man watching porn in the presence of children.

A **Swarthmore** (Delaware County) LGBT group wants the Wallingford-Swarthmore School District to kick the Boy Scouts out because the Scouts don't permit homosexual leaders or members. FYI: Swarthmore passed a homosexual special rights ordinance in 2006.

**Sunday hunting** is being considered. The Legislative Budget & Finance Committee report said Sunday hunting could support nearly 7,500 jobs and bring in almost \$57 million in state and local taxes. What do you think?

### **New from National Scene**

**Pornography Awareness Week** is October 30 thru November 6. Our website has tools to help fight porn.

In **Colorado** a seven year old boy wants to be a Girl Scout. After initially being turned

away by the local troop, the state clarified their policy and is now working with the boy's family to get him started in Girl Scouts.

**World War II Memorial statue of Jesus** has been located in the Flathead National Forest in Montana since 1953. It sits on a 25' by 25' parcel of land leased from the Forest Service and maintained by the Knights of Columbus. A request to extend the lease agreement may be denied!

**Homosexual military personnel** have sued to overturn the Defense of Marriage Act in order for their "spouses" to obtain benefits.

AFA of PA encourages Christians, through education, to become involved in pro-family issues in their community, state and the nation.
