News From Around PA

Governor Tom Wolf and former Governors Dick Thornburgh, Tom Ridge, Mark Schweiker, Ed Rendell, and Tom Corbett have signed onto a letter to the State House encouraging members to support "**merit selection.**" This process lets the governor choose PA judges which must be confirmed by the State Senate rather than have the people vote.

The GOP chairmen of the House and Senate Appropriations committees on Jan. 26 sent a letter to the **Office of Auditor General** requesting a review of all spending by the Wolf administration between the start of the 2015-16 fiscal year, on July 1, and Wolf's Dec. 29 partial budget veto.

Delaware Valley University has announced the hiring of its first female president- an

"out lesbian." She will live with her "spouse" in the president's house on campus.

As insurance companies continue to experience losses due to **Obamacare**, which result in increased premiums to customers, the PA Insurance Dept has stepped in to cap some of those increases. As a result, Highmark has announced it will cut fees paid to providers

News from National Scene

Breitbart Editor **Ben Shapiro** had been approved by the student board at California State University LA to speak about liberal hypocrisy. As soon as word got out around campus there were protests and threats of lawsuits saying conservatism can be damaging to your mental health! The school president rescinded the invitation.

Charlotte, NC added "sexual orientation and gender identity or expression" to its "non-discrimination" ordinance. The governor, a former mayor of Charlotte, and the legislature have threatened to step in.

House Democrat Whip Steny Hoyer warned Republicans that any attempt to stray from Obama/Boehner deal will be resisted by Democrats

Nike has dropped a \$1M sponsorship of boxer **Manny Pacquiao** because of his statements supporting natural marriage.

Obama administration has lifted **the immigrant entry ban** on three more STDs - chancroid, granuloma inguinale, lymphogranuloma venereum. In 2009 the ban on immigrants with HIV was lifted. Only syphilis, gonorrhea, tuberculosis, and leprosy remain on the short list of "communicable diseases of public health significance" that makes an alien ineligible to enter US.
