Please provide short answers to the following:

- 1.) Do you support the right of citizens to own firearms? **Yes, absolutely.**
- 2.) Do you support the actions of the EPA in trying to stop climate change? **No. The EPA has greatly overreached its authority in this area, and others, and needs to be reined in.**
- 3.) Do you believe the US Supreme Court ruling in Obergefell v. Hodges was constitutionally sound? **No** Do you view it as the law of the land? **Congress has passed the Defense of Marriage Act and many states, through their respective legislatures or at the ballot box, have confirmed that it is the will of the people that marriage is between one man and one woman.**
- 4.) The Equality Act has been introduced in both the House and Senate. This bill would extend the same rights to gays, lesbians, bisexuals and transgenders as afforded to other protected groups under the 1964 Civil Rights Act. Would you support this legislation? **Sexual orientation should not be a protected class.**
- 5.) Do you support increased federal prosecution of obscenity? **I support protecting our society from the spread of lewd and vulgar materials and believe our children should not be forced to be exposed to such things.**
- 6.) Do you support federal funding of organizations which provide abortions? **NO**
- 7.) Do you support overturning Roe v Wade? **YES**
- 8.) Do you support efforts to cut federal spending? **YES. I have been part of such efforts as a county councilman and we have cut spending 10% in Northampton County in just two years (that is \$37 million for our local taxpayers).**
- 9.) Do you support efforts to repeal and replace Obamacare? **YES**
- 10.) Has the federal government overreached its role in education? **YES**
