

American Family Association of PA Voter Guide Questions

1. Do you support expanding background checks for gun purchases?

No. I believe the background checks in their current form are sufficient.

2. Do you support adding "sexual orientation" and "gender identity or expression" to the PA Human Relations Act?

No. I believe that both of these "categories" are lifestyle choices that do not fall under the same protections as race, color, religious creed, ancestry, age or national origin.

3. Do you support strengthening enforcement of the state's obscenity laws?

Yes. Absolutely.

4. Do you support the legalization of medical marijuana?

Yes. God created marijuana (cannabis) and at one time pronounced it good. I believe that man, in his fallen state, has corrupted it. The information that I have seen supports the far reaching benefits of the medicinal uses.

I would not support any laws that would legalize the recreational use of marijuana.

5. Do you support parental consent before a minor can get an abortion?

Yes. However, I believe that abortion is wrong and should be outlawed in PA.

6. Do you support banning abortions after 20 weeks when a baby in the womb can feel pain?

Yes. *see above.

7. Do you support a ban on dismemberment abortions?

Yes. *see above

8. Do you support an extraction tax on Marcellus shale natural gas deposits?

No.

9. Do you support requiring a photo I.D. to vote in all elections?

Yes. This would be a very simple, yet effective way to deal with voter fraud.

10. Do you support Common Core?

No.

Thank you for the opportunity!

Respectfully submitted,

Jeffrey W. Griffith
