News From Around PA

Following a Grand Jury recommendation, House Bill 643 would ensure that there are no time limits for prosecuting **infanticide**. It would also expand the window of opportunity for prosecuting illegal late-term abortions to five years.

Gov. Tom Wolf announced **Dept. of Revenue Secretary** Eileen McNulty will retire on April 21. The department's current Deputy Secretary for Tax Policy, C. Daniel Hassell, will become acting revenue secretary.

Six pieces of bipartisan legislation to curb **illegal immigration** throughout the Commonwealth have been introduced in the State House. Bills include requiring all employers to enroll in E-verify and withholding state funding from "sanctuary" campuses and cities.

On the other hand, Philly Democrat **State Rep Chris Rabb** has introduced a bill that would bar state law enforcement agencies from cooperating with the federal government on immigration.

News from National Scene

ABC's 20/20 recently aired a totally misleading "expose" on **Christian "gay conversion camps"** which tried to "convert" kids from "gay" to "straight." The two Alabama boarding schools the show concentrated on have been closed, directors have been sentenced to 20 years in prison for child abuse and no police or court reports mention sexual orientation anywhere. All the kids were subjected to abuse.

The **Southern Poverty Law Center** claims the "number of anti-Muslim hate groups increased almost three-fold in 2016." Of course, this is a group that, until recently, listed a sign outside a bar in Allegheny County as a 'hate group', lists pro-family groups it doesn't like and even individuals as 'hate groups,' but, in co-operation with the Muslim Public Affairs Council, it refuses to

list anti-Semitic groups like CAIR as a hate group.

The homosexual lobby group, **Human Rights Campaign**, is calling on Secretary of State Tillerson to remove two individuals from the UN Commission on the Status of Women because they are part of groups that "peddle hatred toward LGBTQ people and their families." The groups are C-Fam and Heritage Foundation.

WY Supreme Court censured **Judge Ruth Neely** for saying she could not "marry" a same-sex couple because of her Christian beliefs. She has never been asked to perform such a "marriage" and state law does not require that she perform any marriages.
