

## MARRIAGE PROTECTION AMENDMENT

**Due to the recent Iowa Supreme Court ruling declaring that state's Defense of Marriage Act (DOMA) unconstitutional, Pennsylvanians and their legislators can no longer assume our DOMA will protect marriage.**

1. **We, the undersigned, ask our Pennsylvania Lawmakers to *PROTECT* the establishment of traditional marriage between one woman and one man by way of a *Constitutional Amendment*. Give Pennsylvanians the opportunity to vote on the definition of marriage.**
2. **We ask that marriage by another name, i.e. civil unions, be prohibited in Pennsylvania. (Vermont's civil union law has led to legalized same-sex marriage.)**
3. **We do not view this as discriminatory, but an effort to preserve the historic definition of marriage and family and is for the well being of the children of our state.**
