

1.) Do you support the right of citizens to own firearms?

**Yes. I have been endorsed by the NRA and received their highest rating. Additionally, I was the prime sponsor of the Castle Doctrine Bill in Pennsylvania that was signed into law by the Governor which allows citizens that right to protect themselves if they find themselves in harm's way.**

2.) Do you support the construction of the Keystone XL Pipeline from Canada to the Gulf?

**Yes. This will help to reduce our dependence on foreign oil and will create many much needed jobs for our fellow Americans.**

3.) Do you support overturning the federal Defense of Marriage Act?

**No. I believe marriage is between one man and one woman.**

4.) Do you support the Employment Non-Discrimination Act (ENDA)?

**No.**

5.) Do you support increased federal prosecution of obscenity?

**Yes, I am generally supportive of this, but federal oversight should be restricted with the majority of the enforcement done at the state and lower level. I have two young daughters and I want them, as well as all our children, to grow up in a country that we can be proud of and where you don't have to be worried about what they may hear or see that will have an effect on them.**

6.) Do you support federal funding of organizations which promote/provide abortions?

**No.**

7.) Do you support overturning Roe v Wade?

**Yes. I am Pro-Life except for the instance of rape, incest or life of the mother. I believe this decision should be overturned and allow each state to decide what the law would be per the 10<sup>th</sup> Amendment.**

8.) Do you support a Parental Rights Amendment to the US Constitution?

**I am hesitant to sign on to any legislation before reading it and knowing all that is included in it. With that said and in reading over some material on this issue, I am generally supportive of it.**

9.) Do you support the recently signed health care bill (Obamacare)?

**No, I have made the overturning of Obamacare as one of my main campaign issues. While there are some elements I can agree with, it is a total overreach by the federal government into our freedoms as Americans as well as a financial crippling burden to our federal budget.**

10.) Have you signed the Americans for Tax Reform Taxpayer Protection Plan?

**No, I have not signed any pledges this campaign. I have a record of accomplishment in the state house and a voting history which people can look at to see where I stand on the issues. I have fought for a smaller government, lower taxes and less red tape. Additionally, I have held numerous town halls where people could ask questions of me on issues of importance to them.**
