

2024 Democrat Party Platform

2nd Amendment: universal background checks, ban on assault weapons and “high-capacity” magazines

Abortion: abortion access in all 50 states; support access to FDA-approved medication abortion.

Education: stopping anti-LGBTQ+ “bullying and discrimination” “We oppose the use of private-school vouchers, tuition tax credits, opportunity scholarships, and other schemes that divert taxpayer-funded resources away from public education”. (Targeting schools adhering to Biblical morality!) Continue fighting alleged book bans.

Elections: Pass the John R. Lewis Voting Rights Advancement Act and the Freedom to Vote Act (forbidding states to pass laws which require a photo ID to vote; forcing states to allow ballot harvesting, expand mail-in voting; allow automatic voter registration via drivers license centers, welfare agencies, university offices; same day voter registration; forbid states to clean up voter rolls)

Housing: National rent control. “We will also crack down on those who violate the Fair Housing Act, and on landlords who discriminate against low-income and minority renters. . . .” (The Biden/Harris Administration interpreted “minority renters” to include transgenders.)

Immigration: Use tax dollars to “help fund community-based organizations that host clinics to assist with immigration cases.” “[W]e’re working to provide every student with a pathway to multilingual education, while ensuring equitable access to a high-quality education for English learners, who’ve historically been underserved.”

LGBTQ: vigorously oppose state and federal bans on gender-affirming care (i.e. laws that ban puberty blockers, cross sex and surgeries for minors)

Supreme Court: Nominate more like Ketanji Brown Jackson (who doesn’t know what a woman is!)

2024 GOP Party Platform

2nd Amendment: Keep the Second Amendment as the Founders intended.

Abortion: Oppose late term abortion. “We believe that the 14th Amendment to the Constitution of the United States guarantees that no person can be denied Life or Liberty without Due Process, and that the States are, therefore, free to pass Laws protecting those Rights.”

Education: Cut federal funding for any school pushing critical race theory, radical gender ideology and other inappropriate racial, sexual or political content; keep males out of female sports; universal school choice; support schools that focus on Excellence and Parental Rights. We will support ending teacher tenure, adopting merit pay, and allowing various publicly supported educational models; restore parental rights in education; promote love of country and real Civics education; champion the First Amendment right to pray and read the Bible in school; abolish US Department of Education and return education to the states.

Elections: Voter ID, highly sophisticated paper ballots, proof of citizenship, and same day voting.

Housing: reduce mortgage rates by slashing Inflation, open limited portions of Federal Lands to allow for new home construction, promote homeownership through tax incentives and support for first-time buyers, and cut unnecessary regulations that raise housing costs.

Immigration: secure the border, deport illegal aliens; reverse the Open Borders Policies driving up the cost of housing, education, and healthcare.

LGBTQ: ban taxpayer funding for sex change surgeries; stop schools from promoting gender transition; end Biden/Harris Title IX changes.

Supreme Court: Nominate more justices like the conservatives in President Trump’s first term.
