News from Around PA

Penn State University has quietly installed two dozen security cameras which has raised surveillance state concerns. The school's newspaper *The Daily Collegian* notes there was no announcement of the installation nor their locations and a new surveillance policy governing their use, which was adopted in August, isn't listed on the University Police & Public Safety website.

Chad-Alan Carr, the former Democrat **Mayor of Gettysburg**, and president of LGBTQ Pride org, has been arrested again on additional child sex crime charges. This time, he was arrested in Texas after he left PA following his initial arrest. He will be extradited back to PA.

Kyle McIntyre was celebrated as the first openly homosexual member of the **Upper Darby City Council**. He's now instructing foreigners how to evade ICE.

News from National Scene

Word has filtered down to **transgender communities** in

Mexico and points south that if you make it to California, the government will pay for your shelter, hormones, and gender-affirming care".

Trumbull County, Ohio Probate Judge David Engler filed a lawsuit to stop Ohio's abortion amendment because it has eliminated his ability as a juvenile judge to have jurisdiction over judicial bypass proceedings for underage girls to obtain an abortion without parental consent.

Responding to a lawsuit, the Trump administration has reversed course and now says it will resume flying a rainbow "pride" flag on a federal flagpole at the Stonewall National Monument in New York City. This became a national monument under the Obama administration.

Congressman John Moolenaar (R-MI) recently said there were "significant research security concerns the **Select Committee on China** has identified," relating to the University of Washington and Texas A & M University, noting both universities have professors who collaborate with Chinese researchers who have ties to

entities deemed national security threats.

Hampshire College in Amherst, Massachusetts is one of the most "progressive" colleges in the nation offering classes such as Drag and Environmental Justice and Inclusive Weightlifting! Recently it was announced the doors will be permanently closing its doors because they were broke!!

Kansas governor is at it again and the legislature stepped in and overrode her veto of a bill named in honor of Charlie Kirk that strengthens free speech protections on college campuses.

Texas Tech University System is officially phasing out all academic programs centered on sexual orientation and gender identity.
