The watchdog group the Freedom Foundation has filed three complaints with state and federal authorities which outline a scheme in which the **Pennsylvania State Education Association** (PSEA) illegally laundered \$1.5 million from its general treasury through the Fund for Student Success to the Democratic Governors Association, which in turn contributed to Josh Shapiro's 2022 gubernatorial campaign.

In the **Southern Poverty Law Center's (SPLC)** magazine "Year in Hate and Extremism", the article "Fighting Illiteracy, Preserving Democracy: The Power of Drag Story Hour" claims the real purpose of Drag Queen Story Hours is to fight childhood illiteracy by encouraging children to read books like Gender Fairy, Adventures with my Daddies, Jack (Not Jackie), Daddy and Dada and Jacob's School Play: Starring He, She and They. Remember no matter what the SPLC's original purpose may have been it is now a pro-LGBTQ, pro-abortion group that labels groups like the AFA of PA as 'hate groups'!

The International Boxing Association sent test results to the **International Olympic Committee** (IOC) more than a year ago that showed Algerian "female" boxer Imane Khelif had the DNA of a 'male'. He and Taiwan's Lin Yu-Ting were both disqualified from the 2023 World Championships for the same reason. An IOC spokesman said, "Those tests are not legitimate. There's no reason for the test." Both of these men have easily won matches against their female opponents.

Under the **FACE Act**, three pro-life activists were sentenced to 90 days in home detention and three years of probation for a "rescue" attempt in which they blockaded the Carafem Health Center Clinic in Mt. Juliet, Tennessee.
