A recent **Right-to-Know request** revealed that in 2017 then PA Physician General Dr. “Rachel” Levine requested research from a doctor at the Children's Hospital of Philadelphia which favored allowing minors to undergo gender transition surgeries. The doctor said he knew of no such research, but confirmed the Philly hospital was performing such surgeries on minors.

Community outrage over an LGBTQ book display in the **Maplewood Jr/Sr High School library** (Penncrest School District, Crawford County) in June 2021 has resulted in several changes – the creation of a “Request for Challenge/Reconsideration of Material Form” and the district’s website includes lists of all the books in all of the district’s libraries. Now, the question is: Why haven’t the books that initially created the uproar been challenged by the public?

Pittsburgh School District board unanimously passed a resolution stating it would

defy any legislation that it teams “harmful”, specifically targeting HB 1532. The Teaching Racial and Universal Equality Act prohibits educators from teaching students that “one race or sex is inherently superior to another race or sex”.
