News from Around PA

Upper Moreland School District (Montco) is looking at a policy regulating the display of flags/banners on school flagpoles. In response to a question about the display of 'religious' flags, the board's answer was it could not be permitted because of the separation of church and state!

State Rep Stephenie Scialabba is circulating a co-sponsorship memo that prohibits state funded institutions from requiring the completion of courses designated as a Diversity course. She believes they should be electives instead.

According to State Rep Melissa Shusterman, "**Crisis pregnancy centers** are organizations that purport to provide medical services to pregnant women but instead engage in deceptive practices to prevent women from having abortions." Because of her beliefs, she is introducing legislation that would prevent crisis pregnancy centers from getting government money.

News From National Scene

A former case manager at the **Washington University Transgender Center at St. Louis Children's Hospital** is coming forward to tell why she can no longer support what the center is doing to gender-confused minors. As the main intake person, she soon became aware of what appeared to be a "social contagion" element behind those identifying as transgender, especially girls.

Harvard Medical School soon will be adding climate change to its curriculum, a decision made by its Educational Policy and Curriculum Committee. It will "examine the impact of climate change on health and health inequality, applications of these impacts to clinical care, and the role of physicians and health institutions in arriving at climate solutions."

Another Harvard Medical School course is "**Alternative Sexualities in Healthcare: Providing Affirming Care for Patients Who Engage in Kink, BDSM, Fetish, Swinging, Ethical Non-Monogamy, Polyamory, and Open Arrangements.**"

Yet another Harvard Medical School class, "**Advancing Excellence in Transgender Health: A Course for the Whole Healthcare Team,**" is offered by the Fenway Institute, an LGBT advocacy organization.

On February 16th the Human Rights Campaign (HRC), the nation's largest LGBTQ lobby group, held its eighth annual "**Welcoming Schools National Day of Reading: A Celebration of Stories Supporting Transgender and Non-Binary Youth.**" Not only is this event sponsored by HRC, but also the National Education Association and the National Association of School Librarians. This event is held in response to efforts by states and local school boards to ban obscene, sexually-charged books from school libraries.
