#### **Check Our Recent Interview**

Guest: Dr. Scott Lively

Topic: Vaccine Mandate

#### **News From Around PA**

Three Montgomery County townships -- **Upper Gwynedd Township, Whitpain Township**

and **Montgomery Township** have implemented homosexual special rights ordinances. These so-called anti-discrimination

ordinances extend special protections to homosexuals, bisexuals and transgenders simply because of who they identify as -- not unchangeable characteristics like race or ethnicity. These impact employment, housing and public accommodations.

#### **PA Congresswoman Susan**

**Wild** (PA-7) is a member of the Congressional Freethought Caucus. It was founded by Rep. Jared Huffman (D-CA), the only avowed atheist in Congress, and Rep. Jamie Raskin (D-MD). The group advocates for keeping religion out of government and promotes "public policy formed on the basis of reason, science, and moral values." Last year they

sent a letter to Health and Human Services Secretary Alex Azar asking HHS to remove its ban on using fetal tissue for research as scientists worked on a coronavirus vaccine.

**Marsy's Law** (a victims right constitutional amendment) has been declared unconstitutional.

Pennsylvania's **Congressional Democrats**, except Conor Lamb, voted to decriminalize marijuana.

#### **News From National Scene**

**A federal judge has issued a nationwide preliminary injunction** halting President Trump's executive order banning the inclusion of critical race theory and other anti-American rhetoric in the diversity training used by federal contractors and grant recipients.

The **Congressional Freethought Caucus** will seek to defund the religious liberty task force in the DOJ, President Trump's White House Faith and Opportunity Initiative and the State Department's Commission on Unalienable Rights.

In a recent **Gallup Poll** only 29 percent of those polled saw

marriage as "very important" for couples having children. That number has dropped 20 percent since 2006!

The LGBTQ lobby group Human Rights Campaign has released its **"Blueprint for Positive Change 2020."** It contains 85 policy recommendations for a Biden administration. Its goal is to use the government to force faith-based schools from K-12 to colleges and universities to adopt pro-LGBT positions in order to be accredited!

The **World Health Organization** recently redefined 'herd immunity' to mean something that is only achievable when the "vast majority of a population are vaccinated."

**Trans blogger "Zinnia"** says all children should be put on puberty blockers under they can "consent" to their gender
