

Karen Lyons Response Woodland Hills SD:

Good Afternoon

I'm going to be as polite as possible! I received your very offensive and truly hateful and hypocritical questionnaire. Not sure what made you send this to me as you stand for absolutely everything I don't. Your organization reminds of that racist liberty group who calls themselves Christians!

You Diane Gramley and crew ought to read Galatians 5:13-26! Or better yet just read the Bible in its entirety! Your hate is so pathetic and disrespectful and disgusting!

As an African American echos of racist cries from women like you from deep down . I can see your faces yelling hate and despicable anger towards someone like me !
