- 3.) Do you believe the Federalist Papers play a significant role in helping us interpret the true meaning of the US Constitution? Yes No Have you read the Federalist Papers? Yes No Please indicate which: I have read 1.) all or 2.) part of the Federalist Papers.

I believe the Federalist Papers help us to understand the philosophy, goals and intents of the Founding Fathers when they were creating the Constitution. The Papers can certainly assist us with perspective, their reasoning and approach, and historical reference; however, I believe it is important to note that the Federalist Papers are NOT the Constitution and, therefore, are not controlling. Furthermore, the Federalist Papers are NOT the exposition of all the drafters and signers of the Constitution; rather, it is the argument of several men who were attempting to encourage the ratification of the Constitution. I have read some of the Federalist Papers but I have not read all.
