**News from Around PA**

Lycoming County experienced its **first ever gay pride event** recently. This "family-friendly" event was hosted by drag queen and political activist Tina Burner. It was promoted by Williamsport LGBT Community Outreach and sponsors included UPMC, Geisinger, Fulton Bank, First Commonwealth Bank, T-Mobile, Xfinity, iHeart Media.

According to a report by the Joint State Government Commission, **the legal term of "child sexual abuse material" should be used** in state law rather than the current term of "child pornography" which is outdated. "Part of the impetus for the changing terminology is to emphasize that the offense is not limited to imagery, but harms real victims," the report said.

The **2022 Philly Trans March** was held on Oct. 8. One of the speakers was Univ. of PA's "Lia" Thomas, the transgender swimmer who broke every women's swimming record.

### News From National Scene

Attorneys general from 13 states send a letter demanding that the **Department of Justice** refrain from prosecuting individuals who question the wisdom of providing "gender-affirming care" to minors. NOTE: Josh Shapiro was not one of them!

The **8th Circuit Court of Appeals** has ruled in favor of the City of St. Louis' ban on the free distribution of bologna sandwiches to the homeless. The case was brought by two pastors who were cited back in 2018 for distributing food without a permit. The recent ruling also noted the pastors "sometimes also shared religious literature with the recipients of the food."

**Superman: Son of Kal-El**, a book series DC Comics launched last year about a bisexual Superman, is being cancelled amid poor sales. This Superman also took on mask to stop the spread of COVID, climate change, school shootings, and the rescue of "undocumented migrants".

Back in July the **DOJ** quietly **announced** the formation of the Reproductive Rights Task Force with the stated goal of "protect[ing] access to reproductive health care."

**Montgomery County Public Schools**, outside of DC, reported shocking data from counseling surveys showing that the number of reported gay, transgender, or nonbinary students increased from 35 in the 2019-2020 school year to 108 in 2020-2021 and 239 in 2021-2022.

**Ohio's State Board of Education** was poised to vote on advancing a resolution opposing the Biden Administration's expansion of Title IX. Instead, the board opted to relegate the matter to an executive committee for additional review.
