Please provide short answers to the following:

1.) Do you fully support the Second Amendment and the right of citizens to own firearms?

Yes I like the wording of the second amendment exactly how it is written.

2.) Do you support the actions of the EPA in reducing regulations?

Reduce regulations less laws are a good thing.

3.) Do you believe the US Supreme Court ruling in Obergefell v. Hodges allowing for same-sex marriage was constitutionally sound?

I believe marriage vows are religious and the spring court had no right making a mockery of marriage. They should've had a civil union if tax breaks was the rationale.

4.) The Equality Act has been introduced in both the House (HR2282) and Senate (S1006). This bill would extend the same rights to gays, lesbians, bisexuals and transgenders as afforded to other protected groups under the 1964 Civil Rights Act. Would you support this legislation?

Everyone should have equal rights regardless of sexual orientations. There should be no special status to anyone.

5.) Do you support overturning Roe v Wade?

Life begins at conception. I would like to see both sides document their reasoning for pro-choice & pro-life. This would help in the slaughter of the unborn. See full position <https://rjkforpa.com/pro-life-versus-pro-choice/>

6.) Do you support efforts to repeal and replace Obamacare?

Yes

7.) Do you support building the wall on the southern border of the United States?

Yes

8.) Would you support a bill that banned transgenders from serving in the military?

Yes

9.) Do you support repealing the Johnson Amendment which tends to silence churches and pastors from addressing issues viewed as political?

Yes

10.) Would you support a Parental Rights Amendment (S.J. Res. 48) to the US Constitution which firmly establishes the rights of parents?

Yes
