News From Around PA

The **PA House Health Committee** has sent a letter to the Chairman of the Commonwealth Joint Committee on Documents to determine whether acting Health Secretary Beam broke the law when she issued the school mask mandate. A “rule” or “regulation” must go through rulemaking procedures before they can be implemented.

Following general outrage over the revelation that the **University of Pittsburgh** wanted to become a “distribution hub” for aborted baby body parts procured from Pittsburgh abortion facilities, they have hired a law firm to review its experimentation on aborted babies.

Attorney General Josh Shapiro has filed a lawsuit in an attempt to stop the Senate Intergovernmental Committee from obtaining information about the November 2020 election.

News From National Scene

Faulkner County, Arkansas passed a resolution declaring itself pro-life. It is the eighth Arkansas county to pass a good pro-life resolution.

President Biden **opposes an honorable discharge** for service members who refuse to get the COVID shot.

Boston **refers to its flagpole as a “public forum”** and allows private organizations to temporarily raise their own flags. Their website says the purpose is “to create an environment in the city where everyone feels included.” Camp Constitution’s flag - white with a blue square in the upper corner and a red cross -- was to be raised on Constitution Day. However, they made the mistake of mentioning “Christian” in their application to the city and the city prevented the flag from being raised!

Health and Human Services Secretary Xavier Becerra has announced “new resources and actions to protect reproductive health care for Texans” after the heartbeat bill was signed into law.

Colorado’s Tri-County Health Dept. is being sued by

parents after it issued a mask mandate which threatened teaches and administrators with arrest and fines if they did not enforce the mandate.

DOJ is asking a federal judge to temporarily block the Texas heartbeat bill.

The US FDA has been involved in “**humanized mice**” **research** with human fetal heads, organs and tissue, including contracts with human fetal tissue provider **Advanced Bioscience Resources**.

California Governor Gavin Newsom signed two bills into law that would help children be able to get sex change operations and abortions without parents’ knowledge or consent.
